

## 2023 Wyoming State End of Session Report

Community Associations Institute (CAI) spent the 2023 legislative session advocating on behalf of the approximately [52,000 Wyomingites in 21,000 homes in more than 1,000 community associations](#). More than 500 bills were introduced, and CAI monitored 3 bills that would have directly affected community associations. Below is a brief overview:

**WY HB 189 - Homeowners associations-display of political campaign signs.** CAI actively advocated against this bill that would affect the reasonable restrictions on political and non-commercial signs and patriotic displays of state and federal flags. The bill was well-intentioned, however, the grounds for removal were inexhaustive and the bill carried a misdemeanor penalty without naming a liable party. CAI testified during the subcommittee hearing of the bill urging legislators to consider amendments to the legislative language to create fairer public policy for Wyoming community associations. Ultimately the amendments were not approved leading to the bill being voted down.

**Status:** **Successfully Failed**

### Your Assistance is Needed

CAI relies on outside resources such as professional lobbying as a vital and integral part of the legislative process. The volunteers who advocate – including homeowner leaders, community managers, and business partners – greatly rely on contributions from management companies and business partners in addition to individuals to continue their important efforts in the legislature. CAI needs your financial support to bolster their advocacy activities in 2023 and beyond. We encourage donations from WY community associations, business partners, and individuals.
