Expand your business. Join additional CAI chapters now.

JOINING ADDITIONAL CAI CHAPTERS allows you to affiliate with as many of CAI's chapters as you wish. If your company is active in geographic areas that encompass several CAI chapters, this membership category suits your needs.

In addition to having the opportunity to expand your business and network with more CAI members who make buying decisions, you'll be able to:

- Stay current on trends, issues and legislation in other geographic areas where you do business.
- Receive additional chapter publications and discounts on chapter programs, events and marketing opportunities.

SIGN UP FOR MULTIPLE CHAPTER MEMBERSHIPS AND RECEIVE:

- Membership privileges and networking power in each of the chapters you select.
- Member discounts on advertising in chapter newsletters and magazines.
- Listings in chapter directories.
- Member discounts on exhibits and sponsorships at chapter trade shows, CA Days and other events.
- Subscriptions to *Common Ground*, CAI's award-winning, bimonthly magazine for condominium and homeowner associations, and *Law Reporter*, CAI's newsletter on the emerging law of condominium and homeowner associations and cooperatives. Available to primary contacts at each chapter.
- All the benefits and services provided by selected chapters, such as seminars and networking events.

How does it work?

When you join CAI, you receive a primary chapter membership of your choice. You may add additional chapter affiliations for \$315 each, per year. To be eligible for membership in additional chapters at this rate, your primary chapter membership and all additional chapter memberships must share the same expiration date, and must be billed to the same address. You must maintain your primary chapter membership to be eligible for additional chapter affiliations, but you may designate other contact names and addresses for those additional chapter memberships. For more information, call CAI at (888) 224-4321.

Begin your multi-chapter membership today!

Membership benefits and services vary by chapter. Not all chapters publish newsletters, membership directories or hold tradeshow. Please contact each chapter to determine its specific benefits.
